

2016-2017
Rebecca Broussard
Developing International Rider Grant
Program

AVAILABLE THROUGH THE GENEROSITY OF:
The Broussard Charitable Foundation

ADMINISTERED BY:

2016-2017 Rebecca Broussard Developing International Rider Grant Program

Background:

This grant is bestowed by the Broussard Charitable Foundation through the United States Eventing Association Foundation in honor of the memory of Rebecca Chaney Broussard. Mrs. Broussard supported numerous international riders through both her generous financial contributions and horse ownership. Mrs. Broussard (familiarily known as “Becky”) was truly respected and admired by all who knew her, and the sport of Eventing has benefited at all levels from her extraordinary vision, involvement and loyalty.

The annual *Event at Rebecca Farm* was the fulfillment of Mrs. Broussard’s vision by creating a world-class international facility for education and competition. This year, 2016, will host the 15th anniversary of the *Event at Rebecca Farm* including both national and international formats of the Sport of Eventing. And only a brief five years ago, the inauguration of the Rebecca Broussard Developing International Rider Grant was established as the culmination of Becky’s dreams to create and to fund a grant with the goal to inspire, advance the skills and expand the knowledge of developing riders at the international level.

The five year program achieved Becky’s vision of developing international event riders. Within these first five years of the initial generous grant of over \$250, 000, over 75 individual grants have been made available. Of the grants utilized from Rebecca Broussard Developing International Rider Grant Program, an outstanding 68% have gone on to start at the only four star event competition in United States, Rolex CCI ****. From a large influx of donations, the grant program was able to expand to include a \$10,000 for rider development targeted by pushing the international quality competition level within the United States. At the international level, Sharon White, Jolie Wentworth, Katy Groesbeck, Matt Brown and Tamie Smith, each winners of the \$30,000 grant made the next step as an international rider and have become the leaders within the Eventing community. They are the riders that continue to create the legacy of the Rebecca Broussard Developing International Rider and inspire us.

Grant Program Outline:

The Rebecca Broussard Developing International Riders Grants are designed to assist and to encourage the development of Event Riders at the highest level of the sport. These grants will be awarded to offset some of the travel and training expenses in the pursuit of achieving the qualities of an international rider with the skills necessary to represent United States of America in the team sport of Eventing. These Grants are not available to any rider that has already achieved the honor of representing United States of America at the international CCIO 3* or CCI4* Eventing competitions.

The Rebecca Broussard Developing International Rider Grant Fund has been separated into three types of grants:

- **Travel Grants** - The first grants will be awarded to multiple riders that display the potential qualities of an international rider. These grants will be used to offset some of the travel expenses to compete at *The Event at Rebecca Farm CIC3* & CCI3**, held on July 22-24, 2016. A simple travel budget Application must be submitted to USEA Foundation, which is attached to this document.
- **National International Rider Grant – \$10,000 grant** for the educational development of an International quality rider based on competition within the national system of Eventing. Interviews are open to all FEI level riders. The recipient of this grant will be selected by the grant committee based on performance record, interview, and involvement with the Eventing Community.
- **Global International Rider Grant - \$30,000 grant** for the educational development of an International quality rider based on competition on the Global stage of Eventing. Interviews are open to all FEI level riders. The recipient of this grant will be selected by the grant committee based on performance record, interview, and involvement with the Eventing Community.

The Rebecca Broussard Developing International Rider Grant Fund Committee has been assembled and will be tasked with evaluating applications and awarding Grants. This grant program was developed and was implemented with the warmest respect and adoration of Rebecca Broussard by the following initial grant committee: Sarah Broussard, Kevin Baumgardner, Loris Henry, Beth Lendrum, Louise Leslie, Karen O'Connor, Howard Simpson, Kyra Stuart, Richard Thompson, and Jo Whitehouse.

With the continued affection for the Legacy of Rebecca Broussard, the following grant committee of 2016-2017 has been bestowed the honor of this important grant to USEA Eventing:

Committee: Louise Leslie – Chairperson, Sharon Anthony, Kevin Baumgardner, Beth Lendrum, Howard Simpson, Diane Pitts (USEA President), Jo Whitehouse (USEA Foundation)

Rider Committee: Sharon White - Chairperson, Jolie Wentworth, Katie Groesbeck, Matt Brown, Tamra Smith

We welcome all applications that are submitted as long as they adhere to the following guidelines:
